§ 17.2. Scope.

This chapter sets forth rules to safeguard the lives, limbs and health of workers who engage in industrial homework and places the responsibility of compliance with the rules upon both employer, the representative contractor or the contractor and employe.

§ 17.3. Penalty.

A person who violates this chapter or regulations of the Department or who interferes with the Department or its authorized representative in the enforcement of the regulations will be deemed guilty of a misdemeanor in accordance with section 7, 9 or 21 of act of May 18, 1937 (P. L. 665, No. 176) (43 P. S. § 491-7, § 491-9 or § 491-21).

SPECIFICATIONS

§ 17.11. Licenses of employers or representative contractors.

An employer or representative contractor may not furnish material to a contractor or homemaker until the employer or representative contractor has first secured a permit from the Department. A contractor may not furnish material to

homeworkers until the contractor has first secured a permit from the Department. A permit of contractor shall entitle the contractor to accept materials to be given to homeworkers only from those employers or representative contractors who have been issued permits by the Department as employers or representative contractors to distribute homework. If the employer is a resident of a jurisdiction other than this Commonwealth, he shall cause his authorized agent in this Commonwealth to secure a permit as a representative contractor. When a person furnishes, or causes to be furnished, material to a contractor for the purpose of manufacture in whole or in part by homeworkers this person shall be considered an employer, and shall be licensed as such. Permits may be revoked if, after a hearing, it is determined that this chapter or the act of May 18, 1937 (P. L. 665, No. 176) (43 P. S. §§ 491-1—491-24) or act of May 13, 1915 (P. L. 286, No. 177) (43 P. S. §§ 41—71), have been violated.

§ 17.12. Report of homeworkers.

Each employer, representative contractor or contractor, whichever one distributes materials direct to homeworkers, shall forward to the Department between the first and 15th day of March, June, September and December, a complete list of homeworkers employed by him. The lists shall give the name, address and age of each homemaker, and the wages received. There shall also be submitted a statement of the materials furnished and articles manufactured by each homemaker. A list of contractors to whom materials have been furnished shall likewise be submitted by each employer or representative contractor furnishing materials to a contractor. Each contractor shall also submit a list of employers or representative contractors from whom he has received materials, and indicate whether or not the materials furnished were in turn given out to homeworkers.

§ 17.13. Label.

§ 17.14. Sanitation.

The employer, representative contractor or contractor may not distribute directly or indirectly to a homeworker materials to be manufactured, finished, repaired, altered or handled in any manner until he has assured himself that the home in which the work is to be done is in a clean and sanitary condition and free from an infectious, contagious or communicable disease. The recommended Health and Sanitation Housing Standards of the Department of Health may be used as a guide for determining the sanitary condition of the home.

The articles or materials shall be immediately sterilized in a manner approved by the Department. The employer, representative contractor or contractor may not again furnish materials to a homeworker living in the home until he has been notified by one of the agents mentioned in this section that the home is free from the infectious, contagious or communicable disease.

§ 17.16. Responsibility of employer, representative contractor or contractor.

The employer, representative contractor or contractor, distributing materials directly to homeworkers, shall designate some person over 21 years of age, such as a parent, a guardian or homeworkers, in each home where homework is done as his authorized representative in that home, who, together with the employer, representative contractor or contractor is jointly responsible for the carrying out of the act of May 18, 1937 (P.
