#### Notes of Decisions

##### *Premises*

The definition of “premises” may properly be applied retroactively to the time of application for approval of a preparation room, especially since it merely codifies a long-standing interpretation of the statute which was in effect at the time of the application; the retroactive application does not result in an unconstitutional taking of property without compensation. *Parise v. State Board of Funeral Directors*, 415 A.2d 153 (Pa. Cmwlth. 1980).

The definition of “premises” is not palpably unreasonable, since the Board is properly concerned about alleviating the trauma and disconcertment that will result if the public is continually subjected to the sight of human remains being transported across a public street on a stretcher; the regulation additionally reduces the likelihood of traffic congestion and avoids potential accidents involving dead bodies. *Parise v. State Board of Funeral Directors*, 415 A.2d 153 (Pa. Cmwlth. 1980).

##### *Preneed Agreement*

Prepaid burial contract or “preneed agreement,” which allowed customer to purchase merchandise and services to be rendered at the time of death, was not subject to rescission by customer; the agreement is defined as a contract under the *Pennsylvania Code* and customer designated the agreement to be irrevocable. *Bean v. Department of State*, 855 A.2d 148, 155 (Pa. Cmwlth. 2004); appeal denied 888 A.2d 479 (Pa. 2005).

**Notes of Decisions**

Restricting the issuance of licenses to situations where substantial harm would be worked on the consumer if a license were not issued is contrary to the provisions of 49 Pa. State Board of Funeral Directors*, 383 A.2d 564 (Pa. Cmwlth. 1978).

In determining whether to issue a widow or estate license the State Board of Funeral Directors has no authority or power to consider issues of private contract law not raised by the parties privy to the contract. *Edwards v. State Board of Funeral Directors*, 383 A.2d 564 (Pa. Cmwlth. 1978).

**§ 13.152. Application.**

To obtain an estate, widow or widower's license, the estate, widow or widower of a deceased funeral director shall inform the Board of the intent to continue practice within 10 days of the deceased's death and request an application for an estate, widow or widower license. (a) A funeral director may not make or cause to be made an inaccurate or deceptive statement, representation, guaranty, warranty, testimonial or endorsement through advertising or promotional medium.

**Notes of Decisions***Constitutionality*

This regulation does not unconstitutionally restrict the funeral establishment supervisor's right to freedom of commercial speech, where indicating the name of a supervisor in all advertisements lessens the possibility that the consumer may be deceived at little or no inconvenience to the funeral director. *Kleese v. State Board of Funeral Directors*, 738 A.2d 523 (Pa. Cmwlth. 1999).

**STANDARDS OF PRACTICE AND CONDUCT****§ 13.201. Professional responsibilities.**

The responsibilities and duties of licensed funeral directors in connection with a funeral, include the following:

- (1) Providing full and factual representation concerning aspects of the services rendered or the funeral furnishings provided.
- (2) Counseling the family in the selection of services and furnishings taking into consideration both the wishes of the family and their financial limitations.
- (3) Maintaining confidentiality of information received during the rendering of service to a family.
- (4) Acquainting oneself with the religious practices or customs of families the funeral director serves and adjusting services to conform with their belief.
- (5) Releasing the remains to the funeral director chosen by the family, if any, in the most expeditious manner if called upon to remove the remains from an accident or comparable situation, before the family has been contacted.
- (6) Providing proper disposal of human remains in accordance with the following:
  - (i) Human remains held 24 hours beyond death shall be embalmed or sealed in a container that will not allow fumes or odors to escape or kept under refrigeration, if this does not conflict with a religious belief or medical examination.
  - (ii) Human remains kept under refrigeration over 24 hours beyond death shall be maintained at a temperature level between 35° and 40°F. The remains shall be buried, cremated or entombed within 5 hours following removal from refrigeration.

**Notes of Decisions**

*Gross Misconduct*

Petitioner's accusations that priest recommended services of competing funeral home did not constitute gross misconduct and thereby justify suspension of license; regulation under which Petitioner's license suspended is vague. *Clavarelli v. State Board of Funeral Directors*, 565 A.2d 520 (Pa. Cmwlth. 1989).

**§ 13.202. Unprofessional conduct.**

Unprofessional conduct includes the following:

- (1) Aiding or assisting a funeral director whose license has been suspended or revoked or an unlicensed person to engage in an act or practice for which a license is required.
- (2) Demonstrating disrespect toward or mutilating the remains of the deceased person.
- (3) Making a comment or public announcement in defamation of another funeral director. This does not prohibit one licensee from testifying against another licensee or from filing a bona fide complaint with the Board.
- (4) Participating in the establishment of a business or professional relationship with or in the operation of a burial association, mutual assessment association, burial certificate plan, insurance company, lodge company, society or religious or other organization whose plan or scheme of organization or operation limits or interferes with the rights of a person entitled by law to dispose of the body of a deceased member, policyholder or certificateholder.
- (5) Paying or extending an offer to pay or give to a person, agency or group a commission or a valuable consideration for the solicitation or procurement of clientele.
- (6) Offering, directly or indirectly, or giving money or an item of value to an employee of the Commonwealth to directly or indirectly influence the administration or enforcement of the act or this chapter, except for the payment of fees required by the act and this chapter.
- (7) Failing to notify the Bureau, in writing, of a demand, solicitation or attempted extortion of money or an item of value, by or on behalf of an

employee assigned to the administrative jurisdiction of the Commissioner, and failing to furnish additional information reasonably requested.

(8) Attempting to influence the judgment of the family in the selection of a funeral director, funeral arrangements or funeral merchandise when a family group is divided on these issues.

(9) Aiding or abetting another licensed funeral director to violate the act or this chapter.

(10) Failure to fulfill the professional responsibilities of a funeral director as described in the act or this chapter.

(11) Furnishing embalming, other services or merchandise without having obtained written permission from a family member or other person authorized by law to make funeral arrangements for the deceased. Oral permission to embalm, followed by a confirmatory e-mail, fax, telex, telegram, mailgram or other written confirmation will be acceptable.

(12) Renting or exchanging funeral establishments by one or more funeral directors for the purpose of creating a secondary location for funeral services. Renting of an establishment for funeral services by a funeral director over 10 times a year shall be evidence of attempting to create a secondary location.

(13) Retaining funds intended to pay for funeral goods and services when the funeral director and funeral entity have not provided any funeral goods and services or when the amount of funds retained is in excess of the value of funeral goods and services actually provided by the funeral director or funeral entity, as set forth on the general price list in effect at the time the funeral goods and services are actually provided. This paragraph does not apply to funds received under an agreement entered into by the funeral director, or the funeral entity employing that funeral director, while the decedent was still living to provide funeral goods or services on behalf of the decedent when needed.

(14) Performing funeral services on behalf of a funeral entity that the funeral director knew, or should have known, was not in compliance with section 8 of the act (63 P. S. § 479.8), regarding conduct of business.

(15) Refusing to release remains until consideration, whether earned or not, has been paid.

(16) Failing to comply with the regulations of the Federal Trade Commission in 16 CFR Part 453 (relating to funeral industry practices).

**Notes of Decisions**

*Constitutionality*

Although licensee argued that the regulation which allows a bereaved family member to withhold written confirmation of an earlier oral approval is unconstitutionally vague, that argument is not considered where the Board determined that there had not even been oral approval to embalm. *Toms v. Bureau of Professional and Occupational Affairs*, 800 A.2d 342 (Pa. Cmwlth. 2002).

*Evidence*

Where the Board made the factual determinations that not only did the licensee not receive later written permission to embalm, but that he was without oral permission as well, its finding that the licensee violated § 13.202(11) was supported and therefore affirmed. *Toms v. Bureau of Professional and Occupational Affairs*, 800 A.2d 342 (Pa. Cmwlth. 2002).

**§ 13.204. Written agreement.**

(a) A written agreement form, either for at need or preneed, statement of funeral goods and services approved by the Board, containing the name and address of the funeral director, the date the arrangements were made, the name of the deceased and the date of death, a specific listing of professional services, merchandise, facilities and equipment to be supplied by the funeral director for the preparation and burial, cremation or other disposition of the deceased as outlined in subsection (c); an itemized statement of cash advances and expenditures as explained in subsection (d); and the total cost, signed by the funeral director, shall be given to the family representative or agency official arranging for the funeral at the time of arrangements which must be prior to the disposition of the deceased. The forms or statements used by licensees in this Commonwealth must conform with the requirements imposed by the Federal Trade Commission under 16 CFR Part 453 (relating to funeral industry practices).

(b) A specific listing of professional services, merchandise, facilities and equipment to be supplied by the funeral director for the preparation and burial, cremation or other disposition of the deceased as specified in subsection (a) shall be completely spelled out as to what is included. Examples are as follows:

- (1) Professional services include, if provided, funeral counseling, available on a 24-hour basis; arrangements for funerals and interments; preparation and

local removal; obituary information to newspapers; filing of necessary forms; handling of flowers; direction of the funeral service; and presence at cemetery for interment services.

(2) Merchandise includes, if provided, a casket, including space for a description; an outer case or vault, including space for a description; memorial cards, prayer cards and acknowledgement cards, indicating the amount; candles; a register book; temporary grave marker; and pallbearer gloves.

(3) Facilities and equipment shall include, if provided, repose rooms, chapel facilities, lounges, reception areas, parking, drape decoration or fern decoration, necessary religious equipment such as prayer rails and mass card holder, hearse (local), vehicle for removal (local), family car, flower transportation vehicle, clergy vehicle and pallbearer vehicle, if applicable.

(c) The written agreement form shall include a specific listing of cash advances paid for by the funeral director as a convenience to the family when the advances are dollar-for-dollar exchanges and not a part of the normal services and merchandise rendered by the licensee.

(d) The written agreement form must also include a specific listing of additional items of service and merchandise not covered by subsection (c) and differing from cash advances as explained in subsection (d).

(e) Interest on delinquent accounts, if charged, shall be listed and conform with State and Federal laws and regulations.

(f) A copy of the written agreement, signed by the family representative or agency official as well as the funeral director, shall be retained by the funeral director along with the records of the transaction for 6 years.

(g) If a family member or representative is located where a signature on an agreement is impossible, a fax, a telex, a telegram or a mailgram authorizing the procedure or arrangements will be acceptable. For the purpose of this subsection, the fax, telex, telegram or mailgram is to be used for "ship in" or "ship out" accommodations.

(h) The Board will not approve a form statement of funeral goods and services that does not comply with the act or this chapter, or the enforcement of any term of which would result in the violation of the act or this chapter.

**Notes of Decisions**

The agreement must be signed prior to embalming, although the body may be released to another funeral director without a signed agreement, and it is not an abuse of discretion to suspend a funeral director's license for 90 days for failing to obtain the required signature. *Hunt v. State Board of Funeral Directors*, 405 A.2d 996 (Pa. Cmwlth. 1979).

**§ 13.205. Tentative agreements.**

Under section 13(d) of the act (63 P. S. § 479.13(d)), tentative arrangements for funerals may be made by unlicensed funeral home staff persons in the temporary absence of the funeral director in charge. A licensed funeral director shall ratify the tentative arrangements within 48 hours. Tentative arrangements means contacting a licensed funeral director for the embalming operation, obtaining and placing obituary notices setting a service time with the clergyman and cemetery official and making an appointment for the family with a licensed funeral director for the selection of merchandise. Final arrangements shall be handled by a licensed funeral director. Failure to follow this section will be considered unprofessional conduct on the part of the funeral director in charge.

**Notes of Decisions***Deposit in Escrow or Trust*

The order issued in *Pennsylvania Funeral Directors Association v. State Board of Funeral Directors*, 494 A.2d 67 (Pa. Commw. 1985), requiring deposit in escrow or trust of 100% of funds collected on preneed, prefinanced contracts applies retroactively to July 25, 1953. *Pennsylvania Funeral Directors Association v. State Board of Funeral Directors*; Opinion Not Reported, entered May 9, 1988 (Pa. Cmwlth.).

Section 13(c) of Funeral Director Law (63 P. S. § 479.13(c)) requiring deposit in escrow or trust of 100% of all funds collected on preneed, prefinanced contracts, takes precedence over the provisions of the Future Interment Law (63 P. S. §§ 480.1—480.11) setting a standard of only 70%. *Pennsylvania Funeral Directors Association v. State Board of Funeral Directors*, 494 A.2d 67 (Pa. Cmwlth. 1985).

(a) Funds received for prepaid burial contracts shall be placed in an escrow or trust fund account which shall be separate and distinct from the business and personal accounts of the funeral director.

(b) If funds received by a funeral director for preneed burial contracts are deposited in a banking account which bears interest, or are invested by the trustee bank and produce earnings, the interest or earnings shall be retained in the account with the principal and shall be held, accounted for and transferred in the same manner as the principal amount, to assure delivery of the same quality of service and merchandise for which the contract was made.

(c) In the event of a sale or transfer of the business of a funeral director, prepaid burial contracts and prepaid burial accounts shall immediately be transferred to the control of the licensee who will assume responsibility for completion of the prepaid burial contracts. **LICENSE RENEWAL**

**§ 13.231. Biennial registration; unregistered status and inactive status; failure to renew.**

(a) A licensee shall register each biennial period to retain the right to practice. Initial registration shall automatically occur when a license is issued. Registration for a biennial period expires on the first day of February of every even numbered year. Unless excused by the Board for good cause under section 10(b)(4) of the act (63 P. S. § 479.10(b)(4)), the Board will not grant an application for renewal of a funeral director license unless the licensee has certified that the licensee has completed the amount of continuing education required by § 13.401 (relating to credit hour requirements).

(b) Applications for biennial registration shall be made on forms provided by the Board. The form shall be received by the Board with the required registration fee by the expiration of the previous biennial registration period.

(c) Biennial registration forms and other forms and literature distributed by the Board will be mailed to the licensee at the last mailing address on file with the Board. If a licensee changes the mailing address, the licensee shall notify the Board within 15 days thereafter. Failure of the Board to send or of the licensee to receive a biennial registration application does not relieve the licensee of the biennial registration responsibility.

(d) A licensee whose licensure status has lapsed by failing to register biennially with the Board may apply to the Board for reactivation of licensure status by satisfying the requirements of paragraph (1) on forms prescribed by the Board. An application for reactivation of an inactive or lapsed funeral director license must also include the documentation required by § 13.402 (relating to reporting completion of continuing education) for the immediately preceding biennium,

which may be completed during the current biennium. Unless excused by the Board for good cause under section 10(b)(4) of the act, the Board will not reactivate any funeral director license until the required continuing education for the preceding biennium has been successfully completed.

(1) A licensee applying for reactivation of licensure status is required to pay the current registration fee and submit a notarized affidavit setting forth the period of time in which the licensee did not practice in this Commonwealth.

(2) A licensee who seeks to reactivate his licensure status will not be assessed a late renewal fee for the preceding biennial registration periods in which the licensee did not engage in practice in this Commonwealth. A licensee whose licensure status has lapsed due to the failure to register biennially with the Board, is prohibited from practicing as a funeral director in this Commonwealth unless the licensure status is reactivated. If a licensee engages in practice in this Commonwealth during a period in which the licensees' registration is not renewed, the licensee is required to pay a late fee of \$5 for each month or part of a month beyond the date specified for renewal as provided in section 225 of the Bureau of Professional and Occupational Affairs Fee Act (63 P. S. § 1401-225), in addition to the prescribed biennial renewal fee. The payment of a late fee does not preclude the Board from taking disciplinary action against a licensee for practicing as a funeral director in this Commonwealth without a current license.

**STATEMENTS OF POLICY**

**§ 13.251. Funeral supervisors and funeral directors on active duty—statement of policy.**

(a) *Background.*

(1) Under §§ 13.1, 13.113, 13.122, 13.144 and 13.155, the professional activities of a funeral establishment operating under an estate or widow license, a pre-1935 business corporation license, a restricted business corporation license and a branch license, shall be conducted under the supervision of a

licensed funeral director, in good standing with the Board, who is assigned and registered with the Board as the permanent funeral supervisor of the establishment. The only business structure which does not require the services of a funeral supervisor is a sole proprietorship.

(2) This policy statement announces the procedures which are to be followed by funeral establishments in this Commonwealth in the event of a national emergency which requires rapid mobilization in the armed services on the part of funeral supervisors or funeral directors of sole proprietorships in this Commonwealth.

(b) *Procedure.* The following procedures are to be followed when a supervising funeral director or a funeral director of a sole proprietorship is called to active duty:

(1) Affected funeral establishments should notify the Board in writing within 10 days of receipt of military orders by its acting funeral supervisor, accompanied by a copy of the military orders.

(2) The funeral establishment will have 30 days from the date of receipt of military orders by its acting funeral supervisor to name a “temporary supervisor” who may serve in that capacity until the permanent supervisor/funeral director returns to civilian status. The Board shall be notified in writing when the temporary supervisor appointment is made.

(3) Supervising funeral directors or funeral directors of sole proprietorships affected by the events in the Persian Gulf prior to February 2, 1991 shall be afforded the same protections as outlined in paragraphs (4)—(6). Funeral directors already acting as “temporary supervisors” of these establishments shall be responsible for notifying the Board in writing by March 4, 1991 of the names of funeral supervisors or funeral directors already serving in the armed services, together with a statement of his willingness to continue acting in the capacity of temporary supervisor in accordance with this section.

(4) Except as provided in paragraph (5), the permanent supervisor/funeral director called to active duty should be reinstated in the former position within 60 days of military release. The Board shall be informed in writing of the reinstatement.

(5) If the permanent supervisor/funeral director elects not to be reinstated as a funeral supervisor, the affected funeral establishment shall notify the Board of this fact in writing and apply for a “change in supervisor” within the framework of the law and this chapter.

(6) If a biennial renewal of license occurs during a licensee’s term of military service, the affected funeral director’s license may be renewed upon his return to civilian status if written request is made to the Board. Renewal will be without penalty.
