GENERAL PROVISIONS

§ 1143.1. Policy.
The MA Program provides payment for specific medically necessary podiatrists’ services rendered to eligible recipients by podiatrists enrolled as providers under the program. Payment for podiatrists’ services is subject to this chapter, Chapter 1101 (relating to general provisions) and the limitations established in Chapter 1150 (relating to MA Program payment policies) and the MA Program fee schedule.

§ 1143.2. Definitions.
The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Chronic condition—An illness which frequently recurs or persists for a period in excess of 3 months.

Compensable service—A benefit to which a MA recipient is entitled under the MA Program.

Consultation—A medical evaluation conducted by a specialist at the request of the attending practitioner. For the purposes of the MA Program, a consultation includes taking a medical history, examining the patient, and preparing a written report that is incorporated into the patient’s record.

Experimental procedure—A procedure that deviates from customary standards of medical practice, is not routinely used in the medical or surgical treatment of a specific illness or condition, or is not of proven medical value.

Medical justification—Written documentation in the patient’s medical record indicating the specific health condition or risk that makes the particular service the podiatrist renders, orders or prescribes medically necessary.
Medically necessary—A term used to describe those medical conditions for which treatment is necessary, as determined by the Department, and which are compensable under the MA Program.

Molded shoes—Shoes that are constructed from a special last conforming to a specific individual’s feet. Molded shoes are constructed from leather or other durable material.

Noncompensable service—A service a provider furnishes for which there is no provision for payment under this chapter.

Nonemergency medical services—A compensable podiatrists’ service provided for conditions not requiring immediate medical intervention in order to sustain the life of the person or to prevent damage to health.

Orthopedic shoes—Shoes that have a Goodyear welt, steel shank and elongated medial counter which are modified to compensate for an abnormality of the feet.

Shoe insert—A device that is constructed of plexiglass, hard plastic or other rigid material fashioned for the individual feet by a laboratory approved to participate in the MA Program, and is fabricated according to a podiatrist’s prescription.

§ 1143.58. Noncompensable services and items.

(a) Payment is not made to a podiatrist for:

(1) Services and items not listed in the MA Program fee schedule.

(2) Fabricating or dispensing orthopedic shoes, shoe inserts and other supportive devices for the feet.

(3) Casting for shoe inserts.
(4) Medical services or surgical procedures performed on an inpatient basis that could have been performed in the podiatrist’s office, the emergency room, or a short procedure unit without endangering the life or health of the patient.

(5) Medical or surgical procedures designated in the fee schedule in Chapter 1150 (relating to MA Program payment policies) and the MA Program fee schedule as outpatient procedures, signified by the letters OP, which are performed on an inpatient basis unless the requirements specified in Chapter 1150 are met.

(6) Medical services or surgical procedures performed on an inpatient basis if the Department denies payment to the hospital for the days during which the podiatrist’s care is rendered. The podiatrist may not bill the recipient for the disallowed services.

(7) Services rendered in the emergency room of a hospital if the recipient is admitted to the hospital as an inpatient on the same day or the service is a nonemergency medical service.

(8) Treatment of flat foot.

(9) Treatment of subluxations of the foot.

(10) Routine foot care, including the cutting or removal of corns, callouses, the trimming of nails and other routine hygienic care.

(11) Physical therapy.

(12) Diagnostic or therapeutic procedures for experimental, research or educational purposes.

(13) Compensable podiatrist’s services if full payment as specified in § 1101.62 (relating to maximum fees) is available from another public agency or another insurance or health program.

(b) Payment is not made for the following items, even if they are prescribed by a podiatrist:

(1) Tennis shoes, sneakers, slippers, sandals or another type of footwear that does not fit the description of the orthopedic or molded shoe established in § 1143.2 (relating to definitions).

(2) Shoe inserts for orthopedic or molded shoes.

(3) Modifications to orthopedic or molded shoes, except those modifications necessary for the application of a brace or splint.

(4) Modification to or repair of nonorthopedic shoes other than for insertion of shoe inserts.

(5) Orthopedic shoes recipients 21 years of age or older.
